

Club Member Guide to A Fun and Safe Program

Respect the Club

Treat Your Safe Space with Care!

Stay within your program space.

Only use the supplies assigned to you.

Raise your hand to use the restroom or get water

Please keep your toys at home.

Remember to wash your hands after touching

your face, mask sneezing, coughing, blowing your nose,

after using the restroom, coming in from outside, and before and after eating

Don't forget to sing the Happy Birthday Song twice or sing the ABC Song once.

Help clean up!

Respect Each Other

Air High-Fives are Highly Encouraged!

Social Distancing -- remember to stay six feet away from the next person.

Remember to wear your mask

If you wake up feeling sick, let your parents know right away.

Notify your Staff member, if you start to feel sick during your time at the Club.

If you cough or sneeze, use a tissue or your elbow to convert your mouth.

Remember to wear your face mask.
